

# HAWKS FLIGHT GUIDE!

Welcome! We are excited to have you FLY with us at Horizon High School.

OCPS is a digital district. All high school students receive laptops for learning. Students will receive a laptop through our media center and access to the online learning platforms. Please use the resources below to access everything you need to take off at Horizon High. Check in with your teachers to determine their best form of communication.

Click on the images below for your **learning and communication resources** or go to the webpage link listed.

OCPS LaunchPad is the landing application for all of your OCPS Academic Course needs. Skyward, Canvas and Google Drive are the most frequently used applications within OCPS LaunchPad. For access to visit all of these platforms, visit [launch.ocps.net](https://launch.ocps.net)

**Skyward Family Access Portal** The portal provides demographic information, schedule, assignments, calendar events, grades, attendance, discipline, test scores, and graduation requirements.

**Canvas** is the learning management system where students access and submit assignments.

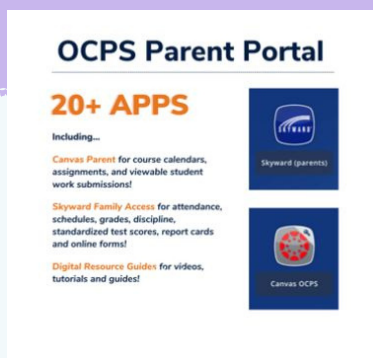

**Google Email (accessible via Google Drive)** Each student has an OCPS email account ([OCPSstudentid@students.ocps.net](mailto:OCPSstudentid@students.ocps.net)) This is the best way for Horizon staff to communicate with ALL students, so make sure you are checking your OCPS email on a regular basis.
